They are a 501(c)(3) thrift store that uses its profits to support Christ-centered addiction ministries. After years of thrifting throughout the area, they wanted to create a store that captures all the things they love about the thrift shopping experience. Their goal is to make thrifting fun, welcoming, and meaningful for everyone who walks through their doors.

COUNTRY ESCAPADES

WHERE EVERY ESCAPADE LEADS TO MORE...

12569 Carey Lane Howard, Ohio

This holiday season, bring the whole family together and make the gathering part of the memory.

Looking for a place where everyone can stay, gather, laugh, cook and relax? They have two great options for big groups:

The Roost and The Lodge

The Roost is cozy and rustic, with a warm wood stove, a fun game room, spacious gathering areas, and spaces made for gathering together.

Or choose The Lodge. Featuring a great kitchen designed for cooking, sharing, meals and gathering around the tables. Plenty of space to spread out, reconnect and enjoy one another.

Both offer five bedrooms and inviting porches, giving everyone room to be together and room to breath.

This holiday, skip the crowded house and create a getaway your family will talk about for years.

Country Escapades - Meaningful connection, memorable experiences where every escapade leads to more.
