Fischer Funeral Home is the oldest, continuous family business in Warsaw, OH. It was started on February 11, 1937 by the late Franklin J. Fischer. In 1973, Franklin's son, Lynn, and his wife Patricia Fischer purchased the business from Franklin and gained controlling interest in 1979.

Lynn's two sons, Gary and Nicholas, both became licensed Funeral Directors. Together they opened a new location in Danville, OH in 1979 after purchasing the home of Harold and Jean Holt and remodeling it. Gary Fischer's two oldest sons, Corey and Jesse both became licensed Funeral Directors, making four generations of the Fischer family to have served with the business.

## Diner Reopens with New Owner, Same Soul

Poppy's Diner — previously known as Jersey Girls and The Hotspot — has officially opened as of June 15. Beloved server Mya, born & raised in Danville with around 7 years of experience serving breakfast and making customers laugh within the restaurant's walls, has grabbed hold of the reins of running the business herself.

The community has openly shown its support for the change of hands. Within three days of being open, Mya posted on the diner's Facebook page that her entire food supply had been eaten!

Breakfast is served 6 to 10:30 a.m., and lunch is 10:30 a.m. to 1 p.m. The restaurant will close following lunch and reopen from 4 to 9 p.m. for dinner. Breakfast foods, pizzas, hot subs, salads and sandwiches are on the menu.

A grand opening date is to be announced. Make sure to follow Poppy's Diner on Facebook to stay updated on all of the happenings!

## The Tough Street Stadium has broken ground!

The new football field is beginning to take shape. The grass has been removed and the ground has been leveled. The stone base is now being added in and is near completion. This will make way for The Motz Group to begin installing the synthetic turf during the month of July.
